Continued Business

- SCC Award – Applications were shared on facebook. Kendra created a google form to vote by 9pm this evening. Karen will present the award at the awards ceremony June 25th. Recipient will receive a certificate and \$100.
- Track and Field – Wednesday May 29th – Float was raised to \$500 this year. Smaller menu worked. Hotdog/Candy bag preorder helped keep things move quickly. Milk prices have been raised to \$1.25 so we will need to increase our price next year – 26 milk, 5 juice. 222 Candy bags made this year, sold for \$1/9 pieces. 37 Preorders were purchased. Had 3 packs of cheese slices and ran out by noon. All water sold. All but 6 powerade sold. 1 box of chips leftover and donated to staff. 2 and half boxes of popsicles leftover and donated to SRC. Leftover cooked burgers and hotdogs were donated to the breakfast club. 4 dozen Hamburger buns and 4 dozen hotdog buns, 3 packs of hotdogs and half pack of burgers were going to be purchased by Miss Frick but she no longer needs them. Hamburgers, hotdogs, and buns can be sold to SCC members through

facebook page – Stacey will get us a price and SCC members can request purchase on facebook page.

Volunteers for next year – we will need to try to persuade K-2 parents, maybe less volunteers to run canteen before 10:30/11am. 11:30-12:30 was a huge rush. Slowed down after 1pm. Grade 6 students were very helpful. We can still reach out to the Credit Union volunteers.

- Family Picnic – we will have to cancel due to the uncertainty of sanctions.
- Welcome Signs – tabled until the fall for follow up.
- Cookie Musical Follow up – Carma made cookies. She received a sponsorship from Sask Milk for \$100 to purchase milk to go with the cookies and has submitted her receipt to Sask Milk for reimbursement. Cookies and Milk were sold for \$1. Darla purchased the remaining cookies for \$25. Stacey will post the profits from the cookies and we will discuss and make a motion on facebook for what to do with that money. It has been suggested that we donate some or all of the profits to Ms. T for art supplies.
- Outdoor Pathway – Darla met with Terry Friesen and have set up to begin at beginning of July and be finished by end of July. We will still need 2 or 3 volunteers to come help.
 - We will need to make a sign or plaque to place outside to thank the Painted Hand/Terry/ Home Hardware prior to when we send in our final paperwork within 60 days of completion. Melissa has suggested a banner or wooden totem pole done by Lady Di. Suggestions of a plaque or stepping stone or sign to the side of the path is a possibility. Jill will take a few pictures of what the area looks like so that we can determine what kind of signage we can put in place. *We will call a meeting over the summer to finalize plans for plaque and signage.

New Business

- Nellie's Donuts Jun 19/20th– *Melissa makes a motion to order long john donuts for each student at a cost of up to \$350. Stacey seconds. All in favor.* Stacey will put in the order for June 19th, and a small order June 20th for Kindergarten B. Karen will pick them up and deliver. We will confirm number of students with Darla.
- Thank you gifts – *Melissa motions \$15 gift cards for Sobeys or Tim's for thank you gifts for staff (number to be confirmed). All in favor.* Esther will confirm staff number with Darla, Stacey will get the gift cards.

Next Meeting – July 2024 TBA (re:outdoor pathway signage) then September TBA, 2024 6:30pm

Meeting Adjourned 7:40pm
