We would like to say thank you to **Melville Dance** and all the lovely dancers for the beautiful showcase they put on for us. It was wonderful to see some of the faces of former students and our own students dance. The performances were graceful, majestic and beautiful.

A BIG THANK YOU, to **Melville Thrift Store**, for their very generous donation to our Breakfast Program. We appreciate it very much!

Thank you to all the Kindergarten families who have already been Mystery Readers this year. A special thank you to Bexley's Aunty, Shaelynn, for not only reading to us but donating the book she read about ribbon skirts to our classroom.

Badminton

Coach Kirschman appreciates the dedication and heart that was shown during our at home Davison Dogs badminton season and can't wait to do it all again next year!

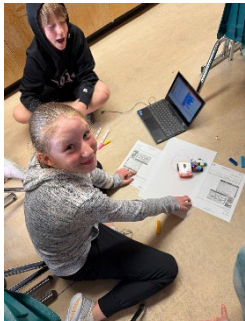

Grade 5s Working Hard

Grade 5s have been earning about weather instruments in Science and also working with robots.

Edison Robots

Girl Power

Our Girl Power Group was hard at work this month making Gratitude Stones. They have hidden them around the playground to spread cheer and joy around our community! They have heard that many of their stones have been found and rehidden to spread even more positive messages! We are so happy that some of you have found one!

Mental Health Awareness Week

The staff of Davison had masks on Wednesday for Mental Health Awareness Week and it was such a great conversation starter with the students.

Mr. Braun

Destiny, Avery and Ariana

These 3 girls from grade 4 wrote a song and dance for mental health awareness. The theme was unmasking mental health. We will share their video at the assembly on June 3rd. Well done girls, you can be very proud of yourselves.

Grade 4's visit to Cumberland Villas

Our last time at Cumberland Villas and our Adopt a Grandparent program with Grade 4 took place this month. We shared so many fun times with our friends there and even had some special homemade games that we played! A big thank-you to Cumberland Villas for inviting the Grade 4s for such great visits!

Gaga Pit

Thank you to the Grade 6 students who suggested that we get a gaga pit at Davison and thank you to facilities for building it for us. The students (and teachers) are really enjoying it and having fun.

Grade 6 Track & Field @ MCS

Kyron and Allana qualified for Districts! Well done!

Seed Survivor Visit @ Davison

The Kindergarten to Grade 5 students had the privilege of visiting the Seed Survivor Trailer that was parked in the parking lot on Monday. They learned a lot about seeds and how and how to take care of their sunflower seed at home.

DANCE

Meow The Musical & Art show

Well done Davison Dogs!! It was a lovely show, and we enjoyed every second of it!

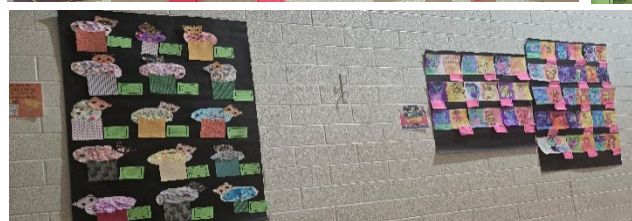

Thank you Ms. T for all your hard work and dedication teaching the students.

We were very happy to see the gym filled with families and loved ones to support and cheer the students on.
